District Superintendent's Report

Thank you for your continued support of our schools and excellence in our educational program.

We recognize that our world and our students are changing, and we are committed to preparing 21st-century graduates who are ready for a very different 21st-century world. Each of our students must have access to the most current educational opportunities possible — experiences that prepare them to excel in whatever it is they choose to do after they leave us. Through any time, any place, any pace learning experiences, our students not only gather academic knowledge, information, and technology skills, but they also should learn how to become caring people who possess genuine integrity.

Thank you also for passing the bond referendum in 2008-2009. Progress would not be possible without your support. Now we begin the work of building and renovating the schools we need for our current students (22,000) and for the hundreds yet to come.

We have other challenges as well. We continue to work to close the achievement gap and to improve our attendance, our graduation rates, and our SAT/ACT scores. All our schools' staff meet collaboratively as professional learning communities, focusing on quality instruction for achievement.

We also have many reasons to celebrate. The SAT scores of our seniors exceeded both state and national SAT score averages. Our elementary and middle school students scored significantly above the state average on the Palmetto Achievement Challenge Tests. More than 200 eighth-graders earned spots as South Carolina Junior Scholars. Our 2009 graduates were awarded more than \$25.8 million in scholarships. There were 71 Palmetto Fellows and 20 students recognized by National Merit for academic achievement. Our schools earned Red Carpet awards, S.C. School Improvement Council Honor Roll status, All-Health Team Awards, Palmetto Gold awards, Palmetto Silver awards, and showcase schools recognition. One high school received a U.S. News and World Report's America's Best High Schools Silver Medal, while another was named a Blue Ribbon Lighthouse School. An elementary school received an Inside-Out Center for Learning grant.

Students took state championships in chorus, DECA, drama, FBLA, FFA, golf, HOSA, journalism, rugby, SkillsUSA, and wrestling. Employees received state- and national-level awards. In our halls, we had the S.C. Chemistry Teacher of the Year, S.C. School Nurse of the Year, S.C. Association of Educational Office Professionals Administrator of the Year, S.C. Foreign Language Teacher of the Year, S.C. Health Science Technology Educator of the Year, Southern Conference on Language Teaching's Teacher of Excellence Award recipient, Region Wrestling Coach of the Year, president of the S.C. Athletic Administrators Association, Outstanding FBLA Advisor of the Year, and more.

With your help, we look forward to accomplishing even greater things in 2009–2010.

Superintendent Karen C. Woodward, Ed.D.
